## Student Resource Scheme

### Annual Parent Information Letter

Dear Parents/Guardians,

This letter contains important information about the **2026 Student Resource Scheme (SRS)** including how the scheme operates and the annual participation fee.

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g., teachers
- Facilities, e.g., buildings, amenities, furniture
- Administration, e.g., staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, equipment for personal use, and items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost-effective alternative to purchasing resources elsewhere, Mount Gravatt State School operates an SRS for 2026.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme. The financial impact on parents and whether the school can absorb any of the cost has been considered before determining the SRS fee.

The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association at the meeting held on 3/12/2025.

#### SRS Participation

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at school. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent to participate. Participation is for the duration of your child's enrolment at the school.

If a parent has opted out of the scheme the parent is required to provide the educational resources listed in the SRS for their child by the start of the school year.

More detailed information about the SRS can be found on the Department's website:

(<https://ppr.qed.qld.gov.au/pp/student-resource-scheme-srs-procedure>).

#### Resource Inclusions

All resources included in the SRS are detailed in the attached **SRS Resource list**. This list is also available on the school's website. This is a comprehensive list of all resources included in the scheme and their associated costs.

Parents must inform the school if items on the list of resources are not received by their child when resources are distributed.

#### Type of Resources provided

Generally, the three types of resources that could be included are:

- **Owned** – these items are retained by the student and used as required (e.g., stationery, exercise books, student diary).
- **Used** – these items are used/consumed in class by the student (e.g., industry technology/cooking/art supplies).
  - work/items produced from these resources will remain the property of the student.
- **Hired** – these items are hired to the student for their personal use for a specific period of time (e.g., textbooks, musical instruments, laptops).
  - Hired items must be returned to the school in good condition at the end of the hire period or if the student leaves the school.
  - A repair or replacement cost may be charged to the parent for any hired items that are damaged or not returned.

## Costing Methodology
